Dear Ms. Andrews:

I hereby allege and assert that the election laws of the State of Connecticut may have been violated in the following manner, place and time, as specified below:

According to published media reports (see Ref), Ann Hart Coulter registered to vote in Connecticut using her parents home address and subsequently voted via absentee ballot in both 2002 and 2004. Yet, during that time frame she lived in New York City.

Consequently, I am requesting an investigation into this matter pursuant to Connecticut General Statute § 9-12, which requires that an elector be a bona fide resident of the municipality in which he or she registers, and § 9-170 through 9-172, which further prescribe voting eligibility criteria.

I SOLEMNLY AFFIRM THAT THE ABOVE STATEMENT IS TRUE AND COMPLETE TO THE BEST OF MY KNOWLEDGE AND BELIEF.

Dated this 29th day of January, 2009, in Washington, D.C.
