

Fielding: What do you mean what's wrong with me. Actually, actually I would ask what's wrong with you because you're sitting here looking like you're urinating behind the dumpster.

Giles: Okay so there's something wrong with me automatically? Okay I get it.

Fielding: No cause you're asking me questions.

Giles: No, you're asking me questions. What's wrong with me? I'm asking what's wrong with you, that's all. Ask me please, I've been through it about, what, twenty times.

Fielding: Get your hand out of your pocket. Get your hand out of your pocket.

Fielding: Do you keep that look on your face all the time?

Giles: Do you?

Fielding: I do.

Giles: Okay, me too.

Fielding: Cool.

Giles: Awesome.

Fielding: Everybody enjoys their selves.

Fielding: Carl, stand back over there. Stand back over there.

Giles: Am I under arrest?

Fielding: Stand over there dude, I don't like you walking up on my car.

Giles: Am I under arrest? I know but am I under arrest?

Fielding: No you're not under arrest but keep standing over there.

Giles: Well then I can stand here.

Fielding: No, get away from my car. I don't want you standing close to me while I'm sitting in my car.

Giles: I can stand here, I can stand here legally.

Fielding: No, I don't want you standing next to my car.

Giles: I know you don't want to but I can.

Fielding: Get away from car.

Giles: I can stand right here.

Fielding: Get away from car, I don't there while I'm trying to run this.

Giles: I understand that but I can stand here.

Fielding: Get away from the car. I can understand that but you're making me nervous wanting to stand there, so please go over there.

Giles: I understand I'm making you nervous but that's not against the law.

Fielding: Then it's not against the law for me to detain you, turn around

Giles: It is against the law for you to detain me.

Fielding: You're urinating in public.

Giles: You don't have any proof of that.

Fielding: There's urine on the ground.

Giles: It's not on the ground. Have you any proof of that? You can't arrest me.

Fielding: I can.

Giles: No you can't.

Fielding: For urinating in public.

Giles: You can't wrongfully arrest me.

Ashley: What's going on?

Giles: He's arresting me for no reason.

Fielding: Go away.

Ashley: This is my brother.

Daniel: We have the right to observe and watch at a safe distance.

Ashley: Hey Hey.

Fielding: Easy easy.

Ashley: HEY HEY

(screaming and shouting)

Fielding: Get on the ground. Dude get on the ground, get on the ground.

Giles: You're arresting me?

Fielding: Get on the ground.

Giles: Why are you arresting me?

Fielding: Urinating in public.
(Fielding calls on radio for assistance)

Giles: I didn't urinate shit.

Fielding: You're under arrest.

Giles: Arrest me for what?

Fielding: Give me your hands.

Ashley: HEY.

Fielding: Hey, give it to me, get on the ground.

Daniel: This is unneeded, this is unneeded.

Ashley: Get down, get down.

Fielding: Get on the ground.

Daniel: Excuse me.

Fielding: I'm asking you not to

Daniel: No, this is ridiculous.

Daniel: Excuse me, this is ridiculous. You do not need to be doing this.

Daniel: You want to write a ticket don't you.

Fielding: (inaudible) on the ground.

Giles: You said I'm not under arrest.

Fielding: You're under arrest

Giles: For what?

Fielding: Get on the ground, get on the ground. GET ON THE GROUND.

Daniel: What the fuck, he was peeing.

Giles: I wasn't peeing.

Fielding: Get on the ground. Get on the ground

Brunstrom pulls up and exits his squad car. There is a lot of screaming in the background.

Ashley: Taser.

Brunstrom: Get on the ground. TASER TASER TASER.

Ashley: Alan. No wait.

(Taser was deployed)

Daniel: Oh my god.

Brunstrom: Back up, back up

Ashley: Stop! Stop! Stop!

Ashley: Your tasing my brother. He was just peeing. Your tasing my brother and he just took a pee.

Muscato: Columbia 221, I have one detained.

Unknown: You don't tase someone for peeing in public.

Giles: Call Kylar, call Kylar right now. Call Kylar. Hey, call Kylar. Call the lawyer in the family. We are suing them.

Officer: Back up. Back up.

Unknown: No, we have a right to observe.

Officer: Back up!

Unknown: No, we have a right to observe.

Gile: Ashley, call Kylar. Jeff? Call Kylar. Call the lawyer in the family guys. Call the lawyer, call the lawyer. Ashley, call Kylar, call Kylar. What's your name?
