TV Tonight

Best bets

Bill Walton appears on "Shark Tank" on ABC.

SHARK TANK: In this episode, basketball great Bill Walton assists one of the entrepreneurs, a triathlete with an unusual water bottle design: It opens from the bottom for easy cleaning. Other ideas seeking funding from the Sharks include an online funeral planning business and a ghostwriting service. **7 p.m. on KMIZ**

FINDING BIGFOOT: FURTHER EVIDENCE: In the new episode "Moonshine & Bigfoot," Matt, Bobo, Cliff and Ranae — aka the Bigfoot Field Research Organization — remember one of their most popular cases: the search for evidence of a baby Bigfoot in upstate New York. They used some interesting tactics in their investigation, which are recounted here. **7 p.m. on Animal**

SUPERNATURAL: In "Meet the New Boss," Castiel (Misha Collins) warns Sam, Dean and Bobby (Jared Padelecki, Jensen Ackles, Jim Beaver) not to interfere in his new business as God, then sets out to right some wrongs in the world. Dean's attempt to force Death (Julian Richings) to stop Castiel just makes the Grim Reaper very angry, while Sam struggles with the broken wall in his head. **8 p.m. on CW**

MOVIE: UNDER AFRICAN SKIES: To commemorate the 25th anniversary of his landmark album "Graceland," Paul Simon revisited South Africa, a land that was under a cultural boycott at the time for its apartheid policies, where he recruited musicians to play with him. He reconnects with those musicians, performs with them and examines the album's important legacy. "Paradise Lost" filmmaker Joe Berlinger directs. **9 p.m. on A&E**
