Gary Sinise co-hosts the National Memorial Day Concert, airing Sunday on PBS.

NATIONAL MEMORIAL DAY CONCERT (2012): Gary Sinise and Joe Mantegna return to host this annual musical tribute to service members and veterans, airing from the West Lawn of the Capitol. The rock band Daughtry and tenor Russell Watson are among the scheduled performers, along with choral groups from the Army, Navy and Air Force. **7 p.m. on KMOS KETC**

MERMAIDS: THE BODY FOUND: Like dragons, mermaids have appeared in the folklore of many cultures. Does that mean these half-human, half-fish creatures might be real? In this new two-hour special, scientists claim to have discovered the remains of a previously unidentified sea creature with possible ties to our own origins. Computer graphics and animation illustrate this intriguing theory. **8 p.m. on Animal**

GAME OF THRONES: Stannis' (Stephen Dillane) fleet mounts an attack on King's Landing, forcing Tyrion (Peter Dinklage) and the Lannisters to fight for their lives in the new episode "Blackwater." Lena Headey, Emilia Clarke, Maisie Williams and Iain Glen also star. **8 p.m. on HBO**

NYC 22: A drug lord whom Yoda (Terry Kinney) helped put away as a rookie is out of prison and out for revenge on those who were responsible for his arrest. Ahmad and White House (Tom Reed, Leelee Sobieski) help protect hustler Harvey Williams (Giancarlo Esposito) from a loan shark, while Kenny and Tonya (Stark Sands, Judy Marte) raid a brothel in the new episode "Self-Cleaning Oven." **9 p.m. on KRCC**
